RESPONSE

Sir:

This is in response to the USPTO Action mailed February 1, 2007 which has never been received by the Applicant.

Applicant has already filed a Petition to have the Notice of Abandonment dated October 4, 2007 withdrawn but is submitting this response for the following two reasons: (1) It is not perfectly clear whether the USPTO requires a response within two months within the Notice of Abandonment being contested. This response is being filed before December 4, 2007. (2) Applicant wishes to resolve all the issues promptly in order to receive an early Notice of Allowance.

Applicant submits this response for entry into the record, in which:

Amendments to the claims begin on page 2.

Remarks begin on page 4.
